About Me

I'm Camila Monroy, a passionate English teacher and a student of Language Pedagogy at Universidad Técnica Particular de Loja. My goal is to inspire my students to love English as much as I do, while continually growing and developing as a professional in the field of education.

With a strong foundation in English teaching and an innovative approach, I strive to create an inclusive and motivating learning environment. My interpersonal skills enable me to effectively connect with my students, fostering a collaborative and supportive atmosphere. I enjoy integrating technological tools and modern teaching methods to make learning English dynamic and accessible.

I firmly believe in the power of education to transform lives. Every class is an opportunity to inspire, motivate, and empower my students to reach their full potential.
